Live Session Schedule for 6th-8th Grade

The daily schedule for grades 6-8 will include live sessions. Attendance at live sessions is highly encouraged for all our students. Each student is required to obtain 6 hours of schoolwork each day. These sessions count towards these hours, but more importantly provide valuable instruction and connections with content area experts and peers. When we talk about keys to success, attendance at live sessions ranks at the top of the list.

Students will also be able to see the Live Session times in each of their course cards which can be found on the Dashboard. The Live Sessions are scheduled on eastern standard time, and all Chromebooks are set to eastern time.

	6th Grade	7th Grade	8th Grade
9:00	Science 9-10	Social Studies/ 9:00-9:30	Social Studies/ 9:45-10:15
